Dear Sister Muchnick,

Thank you for the delightful and informative fireside. I very much appreciate you and your husband making the journey to help us.

It was an honor to meet you. I thoroughly enjoyed the spirit you carry, learned much, and now have a strong desire to learn more. The missionaries enjoyed it; I have received many favorable comments.

We hope to again have such an opportunity in the future.

May the Lord's finest blessings be yours.

Shalom alechem,
